## 2 Panel User Management

There are 2 options for player activation.

Click “**Add Active Code**” and Input Device Serial number

### New Active Code

User at	<input type="text" value="18"/>	Active Code	<input type="text" value="4866693631"/>
Password	<input type="text"/>	Rating Password	<input type="text" value="1234"/>
Group	<input type="text" value="basic"/>	Level	<input type="text" value="User"/>
Expired Time	<input type="text" value="1 month"/>	Connection Limit	<input type="text" value="1"/>
IP	<input type="text"/>	Device Type	<input type="text" value="activecode"/>

- ✧ Active Code is auto generated by system random generator.
- ✧ Each active code is limited by one device.

- Click “**Add User**” and Input User name / password

The screenshot shows a dashboard with a dark header containing navigation links: 'DashBoard', 'Users', 'Resellers', and 'Bouquets'. The 'Users' link is active, and a dropdown menu is open, displaying options: 'Add User', 'Add Android Device', 'Add MAG STB', 'Add Active Code', and 'Manage Users'. The 'Add User' option is highlighted. In the background, a table lists existing users with columns for checkboxes, 'User', 'Password', and 'Bouquet'. Two users are visible: '1' with username 'root' and bouquet 'golden', and '2' with username 'test' and bouquet 'golden'.

The 'New User' form contains the following fields and values:

Field	Value
User at	18
User Name	test
Password	1234
Rating Password	7402473116
Group	basic
Level	User
Expired Time	1 month
Connection Limit	1
IP	
MAC ID	

At the bottom of the form are two buttons: 'Add' (blue) and 'Cancel' (grey).
